“Is the Antichrist come in a same-sex-union?”

“... At this time the Antichrist will be born of a nun of Hebraic descent, a false virgin, who will have ‘marital’ relations with the ancient serpent, with the master of impurity and putrefaction. His father will be a bishop. He will perform false miracles and subsist only on vitiating faith. He will have his brethren who will be children of evil but not incarnate devils like himself. Soon they will be at the head of armies, supported by the legions of hell.” (The Secret of La Salette was published at Lecce, Italy, with the approval of the local Bishop, in 1869).

For Catholics, “Marriage is the union for the common life between a man and a woman capable of the union, arising from a contract by which they give each other the exclusive and irrevocable right over one another’s bodies for the procreation and rearing of children.”

The main reason for this is that children are the primary purpose of the union, and children need a stable home with their biological father and mother. That’s why Our Lord Jesus Christ raised this union between two baptized persons as a sacrament. Even more, if either or both parties are unbaptized, the union is still a sacred institution, as designed by God for the continuation of Mankind.

In addition, the union, whether sacramental, or not (as a natural matrimony among not Christians), is designed to be one and indissoluble: one man may have only one wife; one woman can have only one husband, until death do them part. Let’s take a look around us for the devastation caused by disregarding here on earth the Law of God! Let’s judge what had happen at installing the man-made-law concerning marriage, in particular Pope Francis’ document about divorce!

What Saint Peter has taught us from Tradition? *“And reducing the cities of the Sodomites, and of the Gomorrhites into ashes, condemned them to be overthrown; **making them an example to those that should after act wickedly:** And delivered just Lot, oppressed by the injustice and lewd conversation of the wicked:*

For in sight and hearing was just: dwelling among them, whom from day to day tortured the just soul with wicked works. The Lord knoweth how to deliver the godly out of temptation; but to reserve the unjust unto the Day of Judgment to be tormented.

And especially those who walk after the flesh in the lust of uncleanness, and despise authority, audacious, self-willed, they fear not to bring in sects, blaspheming.

Whereas Angels, though they are greater in strength and power, bring not an execrable judgment against themselves,

But these men, as irrational beasts, naturally tending to the snare, and to destruction, blaspheming those things, which they know not, shall perish in their corruption.

Receiving the reward of injustice, counting the delights of the day to be pleasure; stains and blemishes, flowing in delicacies, rioting in their feasts you,

Having eyes full of adultery, and of never ceasing sin: alluring unstable souls, having their heart exercised with covetousness, children of malediction:

Forsaking the right way, they have gone astray, having followed the way of Balaam of Bosor, who loved the wages of iniquity...

...For speaking proud things of vanity, they allure in the desires of the flesh of lust, those who escape for a while such as live in error:

Promising them liberty, while they themselves are slaves of corruption: for a man is overcome, of the same way he is slave... (2 Peter II, 6-19)

But now what is happening with the New Evangelization Agenda of Pope Francis? Following the pastoral consequences in the modern world’s disordered [emancipation] of the human person - OF THE INDIVIDUAL OVER SOCIETY - the Vatican II Council (Gaudium et Spe #50) had declared that children are no longer the one primary end of marriage, but its joint primary end together with the consorting of husband and wife, of which they are the fulfillment. But now such fulfillment could be considered, on behalf of DIVORCED persons, as lawful

members to actively receive sacraments; and such fulfillment is lawfully suppose to be in a partnership between husband and husband, or wife and wife, according to Pope Francis's insane remedy at the downfall of today's families.

It is not a secret that while he wears the papal white outfit (white robe), indeed he is a pontiff of a different color. His statements, concerning the pastoral "issues," have made drowning wages among conservative Catholics. He is proving that the Catholic Church is working to change its doctrine. As a matter of fact, marital Catholic teaching in regards to birth control and productive medicine are essential elements in the god's plan family; at the contrary, the legalization of Abortion and Homosexuality are not only means of stopping human life in conception and/or in gestation but also in the intention to love "each other" in an unnatural way so that procreation will not be intended at all.

As result of the pastoral issues, Pope Francis convenes an Ordinary Synod on the Family in October (2015) to address the mounting crisis of marriage and family on the modern world. To this effect last year Extraordinary Synod had discussed these themes in order to decree some principles of action. How to lead today's family – he asked – to a deeper spiritual health, and hope, and love?

He wants to reach out to those in failed marriages, to encourage repentance, forgiveness and renewal... to fabricate a "pastoral practical agreement" for helping people rebuild damaged, or seemingly destroyed. It is the predicament of people in irregular unions that shows – he continues – the need for the Church to exercise mercy; the task of the upcoming Synod is to ascertain exactly what they should mean.

The least and worst among other issues that they will be talking about is the Same-Sex-Unions: the validity of which, as a concept, has gained ground, both in politics and psychology, in our secular society. For instance, back in June the White House was lighted in a "rain-bow" fashion so that it should be in harmony with the legalization of the same sex marriages. Certainly, there are many couples rejoicing in this "up-to-one's" new pastoral and personal "liberty" granted by the Conciliar church and New World Order Agenda; but, what about Catholics who are serious about their faith?

If someone still says that there is no crisis in the Catholic Church, either within or without, then little of anything that Catholics can make much sense about today's Mankind unnatural collapsing. They hear the Pope himself calling for a trouble, abusing his "authority" in different domains, but in particular that domain of natural family understood, not only in fidelity but also in procreativity, designed by Almighty God.

The true Church owes to Catholics all the help we need to live up our faith so that we may work out our eternal salvation. The reason being is that Catholic faith is not based on human understanding, but on divine Authority: Revelation and Tradition - It is the duty of the Catholic Church to transmit the Fullness of the Deposit of Faith given by Our Lord Jesus Christ. In fact, Same-Sex-Marriage have never accepted in History by God, and they have always been a scourge and ruin for many nations. Today's society is not an exception, as Saint Peter (First Pope) has transmitted up to Pope Francis' New Religion, being installed by practical agreements with the "new humanity."

Indeed, Our Lady has warned us on September 19, 1846, in La Salette, France: [exert] '*... Rome will lose the faith and become the seat of the Antichrist. The demons of the air together with the Antichrist will perform great wonders on earth and in the atmosphere, and men will become more and more perverted. God will take care of His faithful servants and men of good will. The Gospel will be preached everywhere, and all peoples of all nations will get to know the truth.*

"I make an urgent appeal to the earth. I call on the true disciples of the living God who reigns in Heaven: I call on the true followers of Christ made man, the only Savior of men; I call on my children, the true faithful, those who have given themselves to me so that I may lead them to my divine Son, those whom I carry in my arms, so to speak, those who have lived on my spirit.

"Finally, I call on the Apostles of the Last Days, the faithful disciples of Jesus Christ who have lived in scorn for the world and for themselves, in poverty and in humility, in scorn and in silence, in prayer and in mortification, in chastity and in union with God, in suffering, and unknown to the world...." So, do you think that the Antichrist has come from a Same-Sex-union?
